COMMENTS:
floriferous and very weather tolerant
dead flowers very apparent, not uniform in size, opening in center
flower first year
very floriferous, uniform size and habit
n/a
nice flowers
no flowers, foliage looks good
some plants look weak, not very full foliage
poor uniformity, after heat-no flowers, some died
not uniform color or size, middle die back, in more shaded location
opening in center, flower size not uniform, dead blooms apparent
flower color turning all blue, not uniform, not full
veins more magenta than apricot, dead blooms on plant, chlorotic foliage
unique flower color, very long stems
great color
not floriferous, shorter than claim
did better as season progressed, uniform plants, vibrant color
uniform plants, unique flower color
